What do Parents Think?

Children with social and emotional problems are often the topic of parents’ conversations, as well as the media. Help us document how today’s parents think about children with these problems, their families, and their treatments. We are looking for parents of 4-10 year old children across Australia to complete an anonymous online survey (15-20 min).

Participants will go into the draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to: http://tinyurl.com/parentssatuities. For more information please contact Dr Jeneva Ohan on (08) 6488 6928.

Remember when you believed in anything and everything?

Researchers from the University of Western Australia are investigating children’s ability to detect and avoid potentially harmful social interactions. We are looking to see how this develops in children, and when children outgrow this vulnerability.

We are looking for parents of Kindergarten – Year 6 children across Australia to complete an online survey (15 – 20 minutes). Participants will go into a draw to win one of 10 $50 gift certificates to Coles/Myers. To participate go to: http://tinyurl.com/childsvq. For more information please contact Rebecca Seward on (08) 6488 4652.

CAR PARKING

Please note that the car parks within the school grounds are for staff use only. Parents can utilise the Yumba carpark on the corner of Lorrimer Street, the council car park next to Rotary Park or the curb side on Desmond Lane and Campbell Street. For the safety of ALL: Pedestrians are asked to use the pedestrian gates, not enter/exit via the car entry gates.

SUPPORT IS AVAILABLE

Toowoomba Clubhouse is opening an outreach to support those with depression and mental health issues; this will be held in the Oakey QCWA Rooms, Cherry St, Oakey. The Official Opening was on Tuesday 12 November and will be operating each Tuesday from this venue.

MILK BOTTLE TOPS WANTED

The Principal & Staff of Oakey State High School invite Year 7 students and parents to an Enrolment Evening for Year 8 in 2014

On Wednesday 20th November 2013 from 6.00pm to 7.00pm

in the school's Resource Centre adjacent to the Administration Building

The program will include a message from our Acting Principal, an overview of our school and what Year 8 can expect at Oakey High next year. There will be time available to complete enrolment forms.

Please bring the following documents with you to facilitate your child’s enrolment:

- NAPLAN results
- A/2013 primary school report
- An original birth certificate

For further enquiries and more information please contact the School Office between 8:30am and 4:00pm on (07) 4491 4709 or by email: theprincipal@oakeys.qld.edu.au.
Oakey Creek Early Flood Warning Network

Council is conducting an information evening to provide residents with an update on an Early Warning Network being developed for the Oakey Creek.

6 pm, Friday 22nd November
Oakey Community Centre
Mayor Cr. Paul Antonio, Councillors, relevant Council staff and Hon. Dr. John McVeigh, Member for Toowoomba South will be in attendance

Come along and be informed. Enquiries 131 872

Oakey State School was nominated to receive these new signs as part of a $10 million Queensland Government commitment to improve school road safety.

You will notice that the new signs look similar to standard school zone signs with the important addition of a red flashing light around the speed limit as well as two flashing yellow lights at the top of the sign. The installation of flashing light school zone signs is proven to improve visibility of school zones, serving as an active reminder for motorists to slow down.

So next time you’re dropping off or picking up your child keep an eye out for the new signs and make sure you stick to the signed speed limit.

Flashing lights are Coming

Flashing light school zone signs will be installed on Campbell street.

Vous allez noter que les nouveaux panneaux ressemblent aux panneaux de zone scolaire standard, avec l’ajout important d’une lumière clignotante rouge autour de la vitesse de limitation ainsi que de deux lumières jaunes clignotantes au sommet du panneau. L’installation de panneaux de zone scolaire avec clignotants est prouvée pour améliorer la visibilité des zones scolaires, servir comme rappel actif aux automobilistes de ralentir.

Alors la próxima vez que usted va a recoger o entregar a su hijo, mantenga la vista puesta en los nuevos signos y asegúrese de seguir la velocidad limitada.

Pantallas de luz que están llegando

Las pantallas de luz de la zona escolar se instalarán en la calle Campbell.
