**ADDITIONAL INFORMATION**

**INTERNET ACCESS AGREEMENT**

I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world, that the school cannot control what is on those computers, and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always exercise their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe \_\_\_\_\_ (name of student) understands this responsibility, and I hereby give my permission for him/her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
