

Third Party Website Consent – Oakey State School

Privacy Notice

The Department of Education and Training is collecting your personal information on this form in order to obtain consent for disclosure of a student's personal information to facilitate registration and use of third party web based software identified on the form. The information will be used and disclosed by authorised school employees for the purposes outlined on the form.

Student personal information collected on this may also be used or disclosed to third parties where authorised or required by law. This information will be stored securely. If you wish to access or correct any of the personal student information on this form or discuss how it has been dealt with, please contact your student's school in the first instance.

The use of web based educational resources has risen steadily over the last decade and is increasingly being used by teachers across Queensland to improve student learning outcomes.

Our school and teachers make decisions about the best technology to meet the needs of our students. Sometimes it is beneficial for students to utilise services provided by third party web based providers.

Oakey State School wishes to utilise the third party web based service providers listed to aid students learning. For your student to use these services the teacher will need to register them as a user. Registering with these providers requires student personal information to be disclosed to the provider of the service. In the case of the services outlined below they are private companies with some hosted *onshore in Australia* and some hosted *offshore in the USA*. Registration may include disclosing the following information about your student:

- Student Name, Student ID number, date of birth, Class Teacher

We require your permission for the registration and use of these sites by your student.

Note: *It is not compulsory for you to provide this consent – If you decide not to provide consent; this will not adversely affect academic achievement, or any relationships with teachers or the school.*

Before you complete this consent form it is important that you understand the reasons that these websites collect this information, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the hyperlinks referring to each website's terms and conditions and/or privacy policy.

Please read these and ensure that you understand the implications of using this service before giving your consent. If you have any queries around the storage of student's information, please feel free to contact this school on 4692 0333

Name of Provider: Typing Tournament

Type of Service: Typing Tournament Online is simple and fun to use yet powerful and sophisticated. It uses a unique combination of mastery learning, teaching sequences and games to motivate both children and adults to learn the vital skill of keyboarding. Informed by in-class research it is packed full of clever, innovative features that reduce the supervision load for teachers, actively guide children through the activities for optimal learning and ensure that they are using the right fingers on the right keys. It teaches typing for life!
