Memory

1. Shuffle the cards and put them face down.
2. Take turns to flip over two cards at a time.
3. If you pick up two cards with matching pictures, keep both cards.
4. If the pictures do not match, flip the cards back over.
5. Keep playing until there are no cards left.

Go fish

1. Each player starts with four cards. Place leftover cards in the middle.
2. Take turns to ask another player for a card that is the same as one of yours.
3. If they have that card, you can keep it to make a pair.
4. If they do not have that card, they say 'go fish' and you pick up a card from the middle.
5. Try to get as many pairs as you can. Keep playing until there are no cards left.

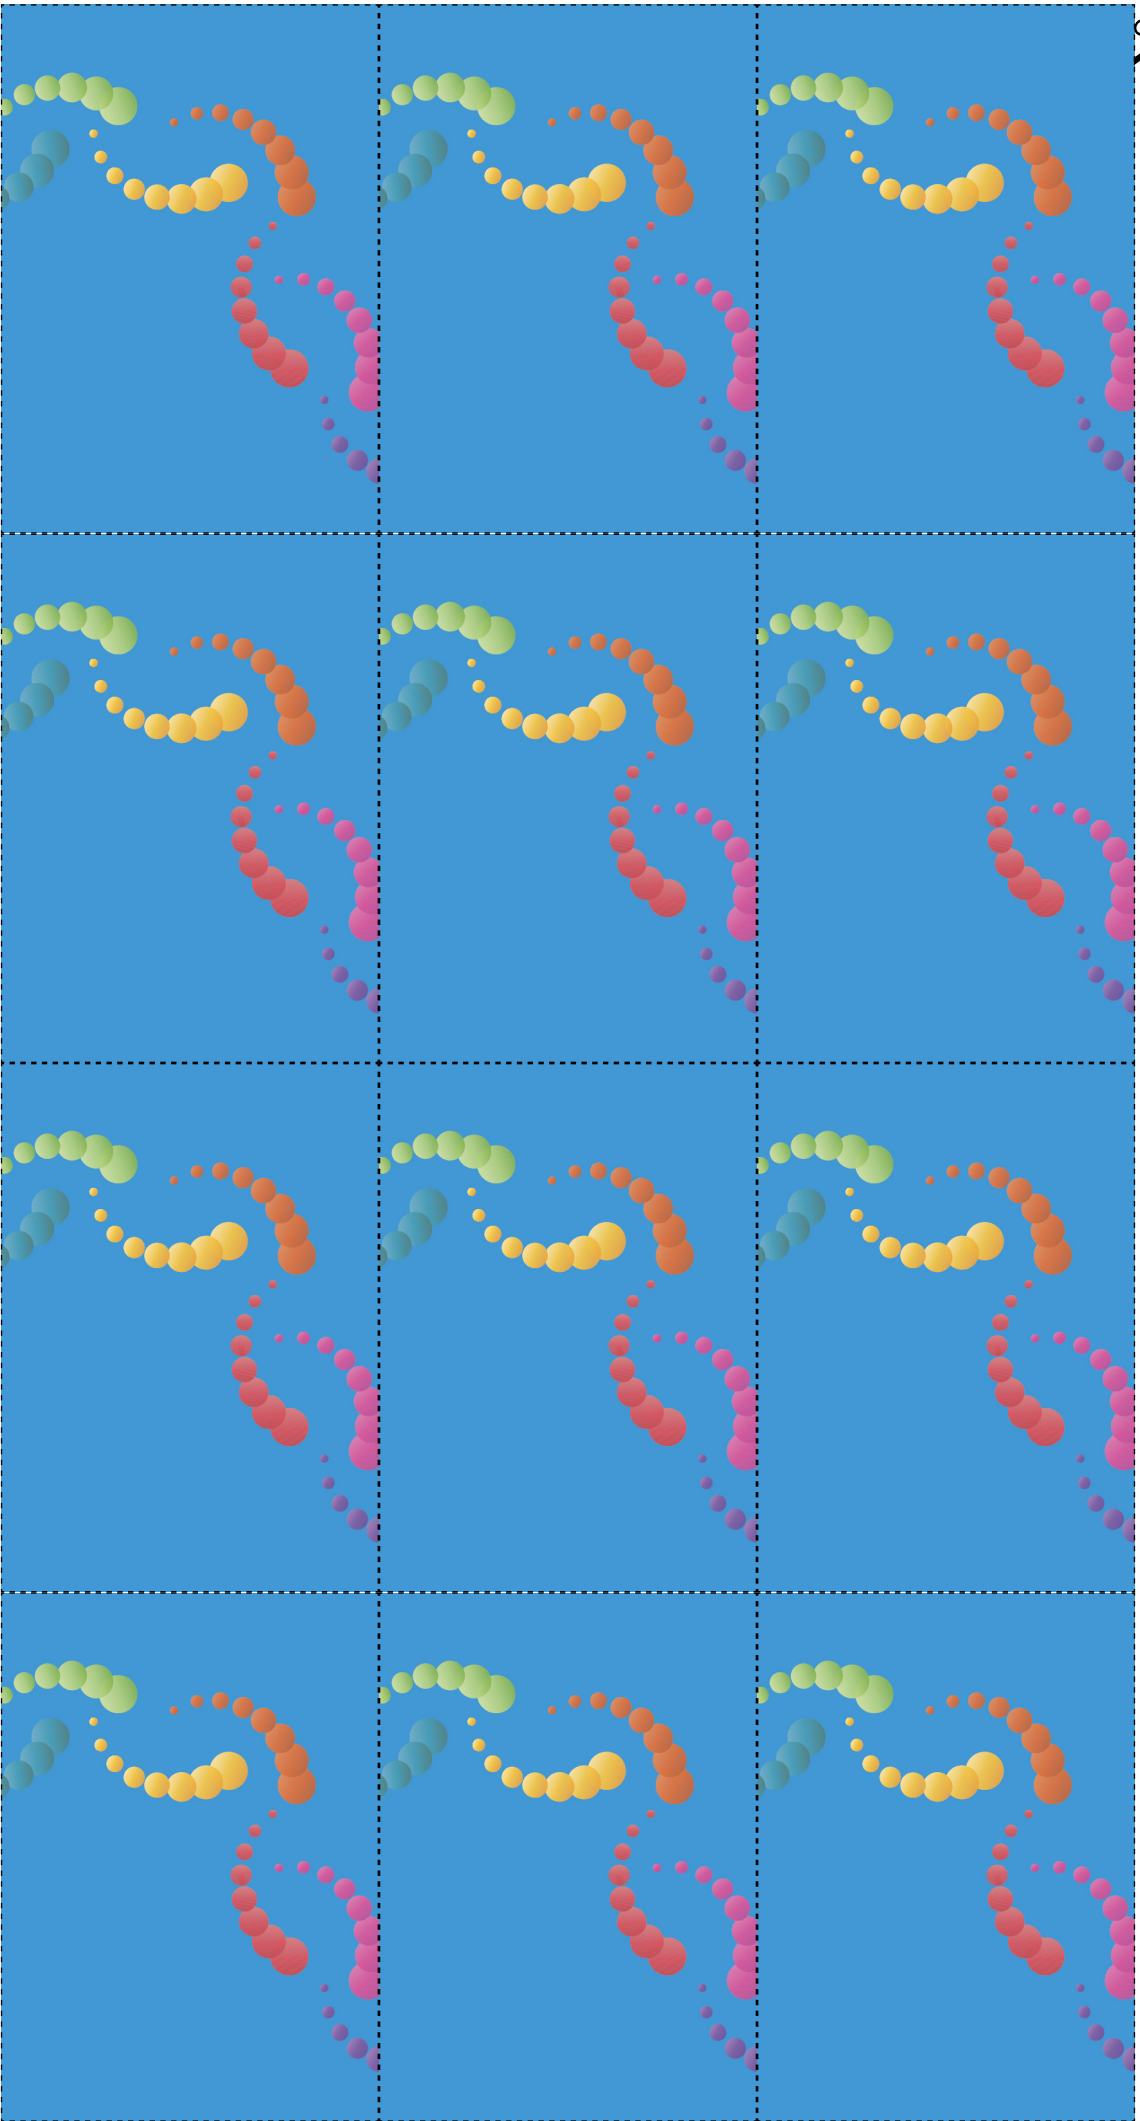

Snap

1. Shuffle the cards and share them evenly with all players.
2. Put your cards face down in front of you.
3. Take turns putting one card in the middle with the picture face up.
4. When two cards with matching pictures are put on top of each other, the first person to put their hand on the pile keeps all the cards.
5. Keep playing until someone has all the cards.

Bingo

1. Shuffle the cards and place them in a pile face down.
2. Each player has a bingo board.
3. Each player picks one card at a time.
4. If the card matches a picture on the board, place the card over the picture.
5. If there is no match, put the card at the bottom of the pile.
6. The first person to fill their board says 'bingo'.
7. Keep playing until everyone's bingo board is full.
